## INTRODUCING AN ELITE PARTNERSHIP

---

We're pleased to announce Sonos as an Elite Savant partner—together we're able to deliver a one-of-a-kind luxury listening experience that will satisfy even the most selective homeowner.

### BEST OF BOTH WORLDS

Get the best in audio and automation when you pair Sonos Favorites and Playlists with patented Savant scenes to create the ideal ambiance for every occasion.

### SEAMLESS INTEGRATION

Savant takes music streaming to a whole new level with unparalleled Sonos integration that gives new meaning to the term “easy listening.”

### MIX UP THE MUSIC

Cue up rich, immersive Sonos sound on the Savant App or Remote and stream the perfect song to match any moment, anywhere in the house.

### ENTERTAIN ANYTIME

Whether you've planned a party or have last-minute guests, Sonos and Savant put everything you need for a memorable night in one convenient place.

### EASY SETUP WITH SAVANT INSTANT™

The Savant App will automatically discover Sonos devices, and new Savant Instant™ setup will help you add it to a system in just minutes, with guided, step-by-step instructions.
