INTRODUCING SAVANT INSTANT

Do more jobs faster with a simple, in-app installation guide designed for the Savant Host, Remote, Lamp Controller, and Sonos.

EASIER THAN EVER INSTALLATION

Our new family of devices requires no hard wiring or programming. Designed to communicate over Bluetooth and Wi-Fi, Savant Instant lets you set them up in a snap.

ENTERTAINMENT IN AN INSTANT

Featuring device configuration for the Remote, Savant Instant lets you easily add Apple TV, cable boxes, Blu-ray players, and more, for a complete single-zone entertainment system in minutes.

BUILT-IN CUSTOMER TUTORIALS

After installation, user-friendly tutorials will teach your customers everything they need to know to enjoy their new device.

SIMPLE SCALABILITY

Savant Instant makes it easy to expand any system—and with additional devices coming in 2016, it's an ideal tool for helping you quickly create a more powerful responsive home for your customers.

NOTE: WORKS ONLY WITH THE SAVANT APP. NOT COMPATIBLE WITH BLUEPRINT.
